Job Description:

- **The Saskatoon Dermatology Centre is seeking 1-2 part time Family Doctors to join our growing private practice. The family doctor would join 2 Full time Dermatologists and 2 current Family doctors offering Dermatologic care providing new and follow up patient consultations for common skin related conditions – in particular to run acne, wart, psoriasis, eczema, alopecia clinics among others. The candidate would also see “walk in” dermatology patients that do not have a specialist referral yet. Opportunities for Dermatology research/clinical trial opportunities, cosmetic procedure training, Dermatologist one on one mentorship and teaching medical learners is also possible.**

Job Qualifications:

- **The candidate will hold certification or be eligible for certification from the College of Family Physicians of Canada (CFPC). Successful applicants will be eligible for a provisional or regular license to practice in Saskatchewan**

- Individuals should be a team player, able to interact effectively with patients, colleagues, and staff and function in a high volume environment with a commitment to high quality and detailed centred care.
- Special training or certification in an approved Dermatology diploma program (such as Cardiff or other Australia/NZ/UK programs) would be a huge asset
- In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

Additional Information: (info about clinic, opportunities, website link etc)

- The Saskatoon Dermatology Centre was founded in September 2020, in the Stonebridge area of Saskatoon. At Saskatoon Dermatology Centre, our mission is to deliver comprehensive medical, surgical and aesthetic Dermatologic care to all our patients and clients using the most up to date evidence, science, optimal safety and clinical best practices. Our facility and caring Dermatologists strive to do this in a comfortable, and clean environment to promote wellness, confidence and natural beauty to all of our patients. We have grown quite quickly, given the shortage of Dermatologists in Saskatchewan and now comprise 2 Dermatologists, 2 GP- Derms, 14 clinical rooms, and 13 staff members.
- Opportunities include: medical services, surgical services, cosmetic services, flexible schedule, part time schedule, research/clinical trial opportunities, training medical students and residents through the University of Saskatchewan, learning from Dermatology colleagues, amazing work/life balance, staff pricing on products and procedures, and much more.
- Our website is located at www.saskatoondermatology.ca for more information about what our practice offers.
